

The last spermwitch / Chapter one: A new spermwitch / Part 1

Cécile Lightwave isn't a usual woman. Her life suddenly changed when she was 28 years old. She had lived ten years with her roommate, Lisa Hotskin. After ten years of sharing everything, including boys, Lisa wanted to reveal a great secret to our heroine. Let's live this special moment together through Cécile's eyes.

"I'm back!" yelled Cécile, while entering the appartement as usual, hanging her keys under the shelf.

"My room. I've got a gift for you, ready to use," answered Lisa with a panting voice.

Cécile threw her bag on the couch then went to Lisa's room asking "Seriously, the guy that I met four hours ago when I left you isn't already exhausted?"

Then upon entering the room, "Oh, that is not the same guy," seeing a nice male lying on his back, his head under Lisa who is putting a condom on his fully erected cock. "He already gave me three orgasms with his mouth, let's see if he can balance the score with you."

"With his cock? Three times? Lisa you're never serious. Whatever, this is why I love sex with you," laughed Cécile, while climbing on the bed still dressed, but without any panties under her skirt. She stepped over the guy and started to lower herself onto his cock. She was already so wet that she was literally dripping. Once she took the tip in her, Lisa pinched the guy's nipples, he arched in surprise and pleasure, pushing his cock deep in Cécile, who suddenly felt an intense pleasure like never before. Just by relaxing his hips under her, the guy gave Cécile her first orgasm. A one pump female orgasm; it had never happened to her before.

"What...? How...?" asked Cécile confusedly.

"-Magic!" answered Lisa, laughing lewdly.

"-Be serious sometimes. I love our private jokes about sexual magic but I just got a one pump orgasm from some unknown guy. How can this happen?"

"-I am serious Cécile. All these jokes were true, I have real sexual magic powers. Then today, I want to share them with you. I understand that is hard to believe, so let me prove it!"

Lisa slipped a hand between Cécile's thighs to reach her clit. She just touched it and then withdrew. Cécile started to feel something weird, but pleasant. It was feeling she knew, becoming more intense with each second. "Am... Am I feeling this guy licking you on my own clit? It's amazing! Ok tea.. AAAAAHHH !!!" Cécile already got her second orgasm. "That's insane! Ok, teach me please!"

"-You won't regret that Cécile, trust me. I already have instilled a part of my power in his balls. You just have to make him cum inside you to get it."

"-Perfect, let's drain him 'til the last drop!"

Cécile put her hands on the guy's chest, her feet on each side of his waist. She started to shake her hips up and down, pumping his cock insanely fast while slowly but strongly tightening her vagina. In less than thirty seconds from this intense treatment, his body shook with spasms of pleasure, his

licking and breathing became chaotic, and suddenly his cock inexorably blew a huge amount of cum in Cecile. She could feel at least five long spurts of hot cum filling her. Then, when she no longer felt ejaculation in her, she slowed down her movements while keeping her vagina firmly contracted, slowly pumping the last drops of cum still present in his shrinking dick.

"It's unbelievably good, I feel sperm being absorbed by my vaginal walls, I feel an intense but gentle heat through my veins. It's even better than an orgasm" Cécile shouted with a voice mixed with both surprise and pleasure. -"Congratulations!" answered Lisa. "It's now time for you to discover the basics of your powers."
