

The world of Arduenna is a strange world, a world of magic and supernatural, of lewdness and lust, of sex and spells, of luxure and sexual fantasy.

It is a world where the Goddess Sexulia threatens to enslave all life forms for her own sexual pleasure.

Fortunately, the human empress Lustia keep the Goddess calm with her great sex magic powers.

You are a young, both gender slime, named Gulpy. You've always lived in Luscidity, the city of sexual fantasy and lewdness. The goddess Sexulia has blessed you with the ability to absorb people's life force and to spread your slime across the city.

You are currently a virgin, though it isn't for lack of offers. You are simply waiting for the right person to have your first time with. You want the best experience possible.

You enter the tavern after your day of work as city guard. You take the shape of a very gorgeous woman attractively dressed but keep you her in her slim form to show to everyone what you really are.

After your day of work as city guard you are back in the tavern where you and your friends gather after every shift.

Your job as a city guard isn't that exciting most of the time.

You order a beer and take place at an empty table waiting for your friends.

You sit down at an empty table and order a beer. You see your friends entering the tavern one by one. First Greg, then Bob, then Eddy and finally Alison.

You order beers for them too. Then ask them what they think about how you look.

You order a beer for each of your friends and then ask them how they like your new appearance.

"Fuck, I didn't knew you could look so hot." Greg says.

"Wow, you're the hottest girl I've ever seen." Bob adds.

"You look even hotter than our mom. And that is really fucking hot." Eddy says.

You turn toward Alison and wait for her answer.

"You are insanely hot. I would totally make love with you right now." Alison says and gulps.

You feel pressure in your groin. You look at Alison's eyes and then you know exactly what to do.

You walk toward Alison and kiss her on the lips. She is taken by surprise at first and then she passionately starts to kiss you back.

"Hey everyone, I think I found the woman of my dreams." You hear Bob laughing loudly.

"Ha ha, you don't have to dream about her anymore, you can fuck her." Greg replies.

You start to disrobe Alison who helps you by removing your shirt.

You both caress each other's bodies and feel the desire rising...

You soon be to excited to keep your human shape, your start to become translucide and your skin became slimy then spreads around Alison's body.

You can't hold on to your form any longer and dissolve into a puddle of goo in Alison's lap.

You have a vague awareness of your friends laughing at you before they quiet down. You feel cool and comfortable on your own personal cushion of goo.

Then you hear her moaning from pleasure. You try to move, but find that you are slowly melting into Alison's skin.

You then fully lose any form and merge into Alison's body.

You whole body burns with pleasure and you moan loudly. You are not exactly sure what is happening.

"Don't fight it, just enjoy it." Alison whispers into your ear and you feel her hot breath.

You let go of any pretense of control and fully embrace this moment of pure erotic pleasure.

"I can feel you inside me."

You say "It's a new feeling, as Slime it's usually me who absorb my partner."

"So you're a giver, not a taker then ?" Alison asks.

"Well, I guess you could say this is the best of both word." You manage to say before your transformation is complete.

Your melting body is now blending into Alison in a gooey fashion, you can't feel the lower part of your body.

"Oh, you're fully absorbed into me." She said while smiling.

You smile back at her, she begins to kiss all over your face.

"This is so hot." You hear Greg say.

"Dude, you're pretty kinky, did you know that?" Bob add.

The two of them continue to comment on how erotic this situation is for them. You and Alison don't really pay attention to that, you are far more focused into kissing each other.

"Can we join in ?" Eddy ask.

"No, You will have to wait for your turns." Alison say with a lascivious grin.

"Hey, we don't want to cause any trouble but we have some business to take care of." You hear Bob say.

You turn your head around to face the three men. Alison still has her arms around your head.

"No worries, I'll easily find the three of you when I would finished Gulpy." Alison say.

You watch as the three men walk towards/in the direction of the house. Alison looks at you with a wicked expression.

"Are you ready for this ?" She ask.

You say "I think not, But do it anyway, all is pure bliss of pleasure since you started to melt me in your skin."

"Oh, I like that!" Alison smiles. "But I don't think everyone will agree with you."

You turn your head to look at the house and notice the lights are out.

"It looks like they're asleep, how convenient." Alison say and then commands you to turn your head.

You obey and look at Alison's eyes.

Filled with lust and desire, Alison smiles sexily as she slowly guides your melting body towards her breast.

"Just relax and enjoy the ride, my sweet slime." She say as you start to stick to her chest.

You close your eyes and feel yourself stuck to Alison's breasts, you can feel the rest of your mass is completely absorbed into her body.

"You are so beautiful, Alison. I love you." You manage to say, feeling your head was absorbed into her.

"I love you too." You hear her say as everything goes black.
