

The last spermwitch / Chapter one: A new spermwitch / Part 3

A few days have passed since the last time. Cécile now has full control over her magical powers, but still uses them secretly. Lisa now wants to make our heroine to meet a special guy.

The two girls were in Lisa's bedroom, naked and about to have some magical sex, but Lisa took her phone to call someone... "Etienne?... Yes, it's me, Lisa. Can I have your help for some magical sex experiments?... Great! Are you alone? I mean can I teleport you here without anybody noticing? Perfect!" Then she snapped her fingers and a naked athletic male appeared on her bed. Cécile looked at him with lust in her eyes. But before doing anything, she asks Lisa, "Have I heard right? You asked him about teleportation? You mean he knows about our powers?"

"Yes", Lisa answered, "He doesn't know anything but the basics, and we are immortal: we are safe for him, and we can do magic."

"Wait a sec!" the guy interjects. "YOU?!" he exclaimed, "Lisa, are you telling that your friend too is a spermwitch?"

"Yes, a young one at that. But today she will become a fully powerful spermwitch. We need you for the ritual, but you trust me, so you know that it's safe," Lisa explained.

"Hey, you didn't tell me about that!" said Cécile, "But whatever, I trust you too!"

"Nice, so now Cécile, you will have to make Etienne cum. Obviously, there is no challenge here, so you will have to do it using magic and in a way that surprises me. I'll count on you to unleash your imagination!" said Lisa before sitting comfortably in her favorite armchair.

Lisa looked at Etienne, thinking a little, then smiled at him in a way which immediately gave him a rock hard erection. She then started to massage his cock between her massive boobs, quickly bringing him on the edge and kept him in this state long enough to make him leak a river of precum. Once she felt there was no more place in his prostate for more cum, she stopped her treatment and made two geisha balls appear in her left hand. She massaged the guy's balls with her other hand and the geisha balls at the same rhythm until he felt like her ten fingers were around him. The geisha balls start to glow slightly and sweat cum.

"Now that your balls and these ones are connected, we can begin the main course," said Cécile while she rubbed the geisha balls against her wet pussy, before her vagina swallowed them.

Immediately, her vaginal walls absorbed the fresh cum directly from the balls. She didn't try to hide it, so her veins glowed from the usual purple light, and soon her eyes brightened so intensely that the entire room was now coloured in purple.

"Men often say that an orgasming girl is the best place for a cock to feel pleasure. Now let's try and see how you handle a charging spermwitch!" Cécile announced while she mounted Etienne before engulfing his throbbing cock in one go into her vagina, pushing the balls deeper in.

In no time, the feeling of the balls rubbing against his glans and the flow of magical power due to the sperm constantly being absorbed pushed him over the edge so brutally that he screamed from pleasure like never before. He blew his huge load in one big spurt, suddenly intensifying the flow of

magic rushing through Cécile.

Lisa was so impressed by the creativity and efficiency of her friend that she didn't wait before starting the ritual. She put her hand on Etienne's forehead, then diffused her mind into his body. She enjoyed the same pleasure as him, before the magical part of her quickly melted in Etienne sperm and was assimilated by Cécile and the human part went back to her body.

After some time enjoying orgasm after orgasm, from both riding Etienne's hard cock and absorbing the sperm from the geisha balls, Cécile released his cock, then the balls and put them in a little box made of clouds which vanished once closed.

"Thank you Etienne," said Lisa. "I think Cécile has something special to ask you before she can bring you back home," she added.

"Yes," Cécile answered, "I promise to explain to you what happened later, no matter your decision, but I need to know if you accept to serve me like you were serving Lisa until now," she told Etienne.

"Etienne Navare at your service, Spermwitch!" he answered without hesitation.

"Nice," said Cécile, snapping her fingers to teleport him back to his house in France.

She sat on the side of the bed and looked at her lovely friend. "Thank you for this amazing gift. When I started receiving that part of you in me, I was a little angry because you didn't tell me before, but as your memories became mine, I understood you."

"Thank you Cécile, it's really an honour to be your friend," said Lisa. "I have no doubt, you will use these powers and knowledge for the good of the world."
